*Stay connected with FTTH Council MENA*

#### Dear Readers,

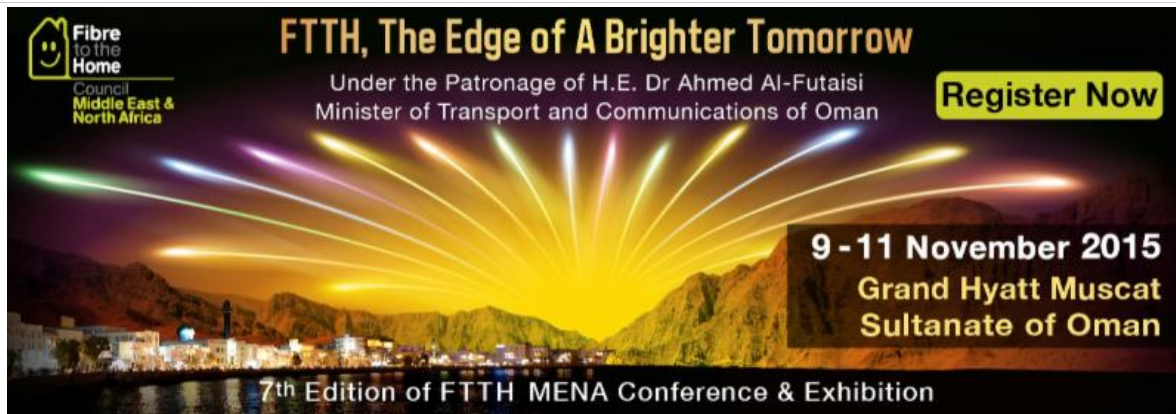

MENA Fibre is a monthly newsletter prepared and distributed by FTTH Council MENA to all readers interested in the Fibre world. This newsletter is sent to subscribers who have registered on our website and to our members. Feel free to forward to colleagues and friends.

As always you can find daily or weekly updates on FTTH Council MENA website and through this monthly e-newsletter. Also FTTH Council MENA team is always pleased to answer your enquiries on

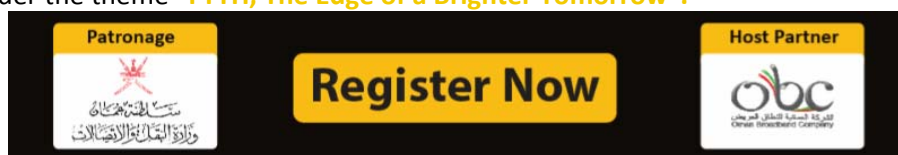

[info@ftthcouncilmena.org](mailto:info@ftthcouncilmena.org)

**Registration is OPEN!**

**7th edition of FTTH MENA 2015 Conference & Exhibition**

FTTH Council MENA is pleased to invite you to participate in the 7th edition of its annual Conference & Exhibition which will be held **under the Patronage of H.E. Minister of Transport and Communications of Oman** from 9 to 11 November 2015 under the theme **"FTTH, The Edge of a Brighter Tomorrow"**.

### Join us in Oman to:

- Listen to the world class speakers and presentations through the **3 Day conference & workshops**
- Enjoy the **Exhibition** and the **networking opportunities**
- Discover **Oman Roadshow** to explore the city and its Fibre infrastructure
- Learn with our **Mini-MBA in FTTH** pre-conference workshop!

### Book your seat for the Pre-conference Workshops and Roadshow - 9 November 2015 - 09:00am

#### The Mini-MBA in Fibre to the Home and Next Generation Access

Re-appraise assumptions and consider afresh how to create future-proof digital infrastructures, building stronger operators and achieving economic and social benefits while limiting risk.

### Last Chance for Speaking Opportunities!

**Submit your Paper Now** and have the chance to speak in the 2 Day conference Check the Call for Papers and Program [Here](#) and send your abstract and bio to [info@ftthcouncilmena.org](mailto:info@ftthcouncilmena.org)

### Advertise Now and benefit from a wide visibility in the MENA region!

Sponsors and Members have the chance to advertise in its supplement of Telecom Review at special rates. The supplement is distributed during the event in Oman and in all the countries of the MENA region.

### Spaces are limited! Sponsor Now to join our 2015 Exhibitors!

For sponsorship, Speaking and Advertising opportunities contact us at [info@ftthcouncilmena.org](mailto:info@ftthcouncilmena.org)

## General Assembly 2nd Meeting 11 November 2015 - Muscat, Oman

**Save the Date and book your seat Now! Members Only**

The second General Assembly of the FTTH Council MENA will take place on 11 November 2015 in Muscat, Sultanate of Oman which will be held in conjunction of the 7th edition of the annual event.

Members can book their seats now by confirming their attendance to Ms Christine Beylouni, Director General of FTTH Council MENA.

Members will receive shortly the detailed information and agenda.

## FCGA - Global Power of FTTH Councils Global Alliance MENA 2015 Chairmanship

Learn more about FCGA here <http://www.ftthcouncil.info>

With FTTH Councils Global Alliance platform of its six global FTTH Councils, FCGA ensures that regional commitments are always combined with the power of global cooperation.

All councils are continuously working on empowering the Fiber technology and improving the FTTH documentation.

To stay updated with the FCGA activities visit our new web page [www.ftthcouncil.info](http://www.ftthcouncil.info) or contact the FCGA 2015 President - Ms Christine Beylouni, Director General of FTTH Council MENA at [info@ftthcouncilmena.org](mailto:info@ftthcouncilmena.org).

### The Next Global 2015 FTTH events:

**FTTH Africa:** 27 - 28 October, Kigali - Rwanda

**FTTH MENA:** 9-11 November, Muscat - Oman

## Join our Committees Now!

Take part of its recognized activities. **Members Only**

### **Technology & Training Committee**

**chaired by Mr Gamal Hegazi, Alcatel-Lucent**

This Committee is an important pillar for promoting FTTH in the MENA region whereby can provide the council an advantage of presenting an agnostic view of the FTTH technology and the know-how through its technical documentation and certified training.

### **Smart Cities Ops and Apps**

**chaired by Mr Richard Jones, Ventura Team**

The committee's mission is to accelerate deployment of ultra high-speed FTTH - highlighting deployment approaches, applications and the benefits for Smart Cities, campuses and other real estate developments in the MENA region.

### **Policy & Regulation Committee**

**chaired by Ms. Christine Beylouni, FTTH Council MENA**

### **Market Development & Intelligence Committee**

**chaired by Mr Faiq Shahrouri, OFS**

This Committee works on the latest FTTH market data and

This Committee follows and positively influences relevant policy and regulatory developments in the MENA region, that has an impact on broadband deployment in general and FTTH roll-out in particular. It interacts with International entities on relevant topics of FTTH and Broadband policies.

evolution in the countries of the MENA region. In addition it focuses on the FTTH market development in each country of the MENA region. It will deliver related reports and market studies to be used and published as lobbying tool within governmental and national institutions to facilitate the national strategy decision making in the concerned countries.

**Members can apply now by calling [info@ftthcouncilmena.org](mailto:info@ftthcouncilmena.org) to receive the committees members application form.**

## EDUCATION SECTION

### Workshops and Training

#### Take the right decision and make it happen!

In order to enhance the lifestyle of the community, FTTH Council MENA is committed to educate corporate, industries, operators, governments and consumers about FTTH from strategy and decision making to the deployment of Fiber optics to the last mile and in the homes.

- The Strategy of FTTH Deployment Workshop
- FTTH Planning and Design Training
- FOA Certified FTTH Technical Training - Fiber to the Home
- Fibre in the Home Training - Deploying Fiber in the MDU's

Check our education section and learn more about FTTH Council MENA educational activities from workshops and training which provide :

- \* to leaders the right strategies, business models and decisions for FTTH deployment protecting their revenues and projects and ensuring a long term profitable service and the right QoS. [Learn more](#)
- \* to the planning team the know how to do the high level design for the FTTH/FTTX network to cover the defined concerned zones in an efficient timing deployment in order to prepare the FTTH network deployment. [Learn more.](#)
- \* the know-how about FTTH and Fiber Optics theory and give a good understanding to be able to chose and undertake fiber optic work including hands-on and labs exercises such as splicing, measuring with OLTS, and OTDR measurements, on P2P and PON installations. [Learn more.](#)
- \* the benefit of understanding and comprehending and designing in house and in building network installations and particularly for fiber indoor installation/design. This course is a continuation of FTTH fundamentals to extend design capabilities for multi-dwelling units. [Learn more.](#)

**For more information and pre-registration contact: [info@ftthcouncilmena.org](mailto:info@ftthcouncilmena.org)**

## Members Only

### Submit and Publish your Technologies White Papers

FTTH Council MENA invites its members you to submit technical tutorials and educational material for the FTTH technologies whether passive or active or outside plant.

The papers may discuss as well the market or regulatory conditions.

In an effort to share knowledge and benefit across the MENA members and the FTTH community at large such papers will enrich the knowledge and know-how around Fiber to the home domain.

The FTTH council MENA website will host these papers as publicly available material for the members and interested community.

There is no specific deadline for submitting the papers but contributions are welcome on best effort basis.

Members of FTTH Council MENA are invited to check their information and inform us of all new data to be updated and displayed in our website.

For more information contact us at [info@ftthcouncilmena.org](mailto:info@ftthcouncilmena.org)
